

December 8th, 1925.

TO WHOM IT MAY CONCERN:

This will serve to introduce to you, Mr. Harvie Adams, who has been in my employ in different capacities for a number of years, and whom I am glad to recommend to anyone desiring a competent chauffeur.

Mr. Adams has both driven a bus for our development and has also served as my private chauffeur. He always showed himself to be extremely courteous and polite to those whom he served, and he is also a very efficient mechanic, always keeping his machines in the best of condition in every way. The only reason for Mr. Adams leaving our employ, was that Mr. Chiles became ill and later died, and we no longer needed the services of a chauffeur.

I do not hesitate to recommend Mr. Adams to anyone for services in his line, and assure them that he will be all that is desired in a chauffeur for either private or public work. If there is any additional information which is wished concerning him, kindly communicate with the undersigned and it will be furnished.

Yours very truly,

Mrs. Leah Arcouet Chiles,  
P. O. Box #625,  
Biltmore, N. Car.
